

H&N TEX

MANUFACTURERS & EXPORTERS
OF HOME TEXTILE PRODUCTS

H&N TEX is a Karur-based manufacturer and exporter of home textile products, bringing together traditional craftsmanship and modern production standards. Based in India's home textile hub, we specialise in bed linen, bath linen, and a wide range of home and kitchen textile accessories, produced to meet international quality and packing requirements

We are actively expanding our export presence and are seeking long-term buyer partnerships, with a current focus on the Middle East and European markets.
